14 February 2022

Dear Parents

Section 5 Ofsted Report 19 & 20 January 2022

As a result of the pandemic, this Section 5 visit has taken place a lot later than expected and under a very different **School Inspection Framework** than the previous one.

We are delighted that the actions we have put in place to address areas highlighted on our previous report, have been identified as extremely effective and **the teaching of Maths, Reading and Writing have been recognised as good.**

We are also pleased that the inspectors recognised that the children work hard on their studies and are well supported.

Inspectors could see that Governors and Senior Leaders are aware of the next steps and the pathway to achieve our goals is **ambitious**. With regards to the wider curriculum, Subject Leaders have been working on their subject areas throughout the pandemic. They are in the process of embedding these changes throughout the school, now with more of a focus on key knowledge as well as key skills in all subjects.

We had already arranged, in partnership with Northway Infants, to implement Read Write Inc at Carrant Brook in September and to use this structure to support any pupil at their early stage of reading.

Finally, we would like to extend a big thank you to our parents for supporting the School, especially during such turbulent times. We are immensely proud of everything we have achieved together.
Kind regards,

M. A. Budd
